Sasria Policy Wordings Update

Following discussions with various stakeholders regarding our wordings; and in line with our mission of continuing to provide excellent customer service, Sasria is pleased to announce that our wording has been simplified in plain language.

The links below have the updated policy wordings for:

- [Fire](#)
- [Motor](#)
- [Business Interruption](#)
- [Contract Works](#)

The new wording is effective as of **1st April 2020**.

The Sasria website will be updated accordingly.

Sasria would like to extend its appreciation to all parties in the value chain that administers the Sasria business.

Kindly distribute copies of this communication as widely as possible within your organisation.
