Application of the Sasria Rates for Government Schools

Sasria SOC Limited would like to provide our Stakeholders with clarity on the application of the Sasria rates for Government Schools.

Where the responsibility to insure government schools is delegated to the School Governing Body (SGB), the F1 Sasria rating category may be used.

The commercial fire rate is applicable where National or Provincial government delegates the responsibility to insure schools with the Municipality with an unfunded mandate.

Regards,

Mokgadi Malebye
