**To Sasria Agents and Intermediaries  
Sasria SOC Ltd's Online Rates Calculator**

Sasria SOC Limited would like to inform our Stakeholders that the updated rates calculator will be uploaded onto the Sasria website [www.sasria.co.za](http://www.sasria.co.za).

The calculator will be published in an excel format. Manual calculations are still required where there are multiple Business Interruption Indemnity Periods, or where selection is required between MD/BI Voluntary Deductible and Co-Insurance Discount structures.

It will be a requirement for all stakeholders to save each calculation per coupon for record keeping on cover that is bound. All manual calculations that are required due to limitations of the Sasria calculator must be referred to Sasria SOC Limited for approval.

The calculator must not be amended and is subject to Audit.

Regards

**Sasria SOC Limited**
